And What Have You

By BOB CRAIG

The Industrial Development Committee of the Hamlin Board of Community Development has set a very important meeting here tonight (Thursday) at the high school auditorium. The meeting is an effort to get some type of organization set up to work on the industrial prospects for Hamlin.

Hamlin is probably one of the few cities of its size or larger that does not have some type of industrial foundation.

In order to attract new industry a town must let the right people know that it is interested and what it has to offer. The only way that this can happen is for interested citizens to band together and devote some time in this direction.

If you are the least bit interested in the future of Hamlin, you should be at this meeting tonight. And if you live here, and especially if you own property, you had better make yourself interested in the future of Hamlin. Your livelihood and the value of your property is at stake in this matter.

Like all cities and towns across this nation we are finding that costs of public services just keep going up both from the standpoint of our cities and our schools. And as the costs go up and the population goes down the cost for each individual left gets higher and higher.

A strong effort needs to be made to keep and improve what we have and to make every effort to secure more job openings here.

You owe it to yourself and your neighbors to be at this meeting tonight.

It seems like every year about this time someone comes up with the realization that Hamlin needs something for our teenagers to do. It is one of those things where nearly everyone recognizes the problem but no one seems to really know how to come up with the answer.

With no picture show here anymore and not much of anything else to do we have far too many kids out on the highways on Friday and Saturday nights. The First Baptist Church has started a Coffee House that is drawing a number of young people but human nature being what it is it fails to reach a great many youngsters just because it is a church backed function and does not include dancing.

Whether you believe in dancing or not doesn't really matter because the problem is that most of these youngsters do dance and will travel as far as Haskell and Abilene to dance.

No program here can ever succeed that does not include dancing and because of the standard of living that we have set for our kids it seems the only dance that holds much attraction anymore is one with a live band. Kids just don't seem to respond to records or tapes.

For over ten years we have heard people say that what Hamlin needs is a youth center but for over ten years we have seen very little effort put forth in getting anything done about it. Hamlin still needs a youth center.

No one has anyway of knowing whether or not a youth center would be a success here or not but until one is started and is well organized we will never know. A successful one could keep a lot of kids off of the streets and highways.

It seems to us that the only way that something will ever be done is for someone to call a meeting of all interested parents and see if enough show up with enough interest to get something done.

Kenneth Hertel has contacted us on this matter and has agreed to call such a meeting in the near future just as soon as a date and place can be lined up. If you are interested we

Continental to Build New Gas Plant Here

Continental Oil Company is expected in the next few days to let a bid on the construction of a new gas plant to replace the present one being operated by the company west of Hamlin. It was first thought that the contract would be let in time for work to start this week but now it looks like it will be a week or so before construction gets underway, according to a company spokesman.

The work is expected to get underway in a week or so and will employ about 30 to 40 workers to start with and this work force is expected to grow to over 100 sometime after the first of the year.

Frank Stivison, plant manager here for Continental Oil Company said this week that the new plant would replace the present plant and would be of much larger capacity.

A number of families were in Hamlin this past weekend seeking to work on this project. Most of them have just

finished up a similar project near Pecos.

No information was available here Monday as to the amount of the construction project or its completion date.

Services Held Here Monday for Mrs. Rachel J. Perry

Mrs. Rachel J. Perry, 83, a resident of Hamlin for 49 years, died at 2 a.m. Sunday at Hendrick Memorial Hospital after a brief illness. She had been hospitalized 11 days.

Services were held at the Assembly of God Church at 2 p.m. Monday with the Rev. Bob Miller, pastor, and Rev. A. P. Tipton, pastor of the United Pentecostal Church officiating.

She was born Apr. 13, 1887, in Mason County. Her parents were the late Mr. and Mrs. Fred Earnest. She married Eugene Perry in Seymour Jan. 20, 1904. He died in 1940. She was a member of the United Pentecostal Church. Burial was in Hamlin East Cemetery.

Survivors include three sons, Vernon of Hamlin, J. B. of Galena Park, Weldon of Denton; five daughters, Mrs. W. C. (Edna) Massey of Plainview, Mrs. E. E. (Bertie) Files of Houston; Mrs. J. C. (Johnnie) Donaghy of Seymour, Mrs. D. W. (Anna Lee) Essary of Galena Park, and Miss Gladys Perry, of Galena Park; 22 grandchildren; 30 great-grandchildren; two great-great grandchildren and a number of nieces and nephews.

Grandsons were pallbearers.

Visiting in the home of Mrs. Florence Calvert last week were her grandson and his family, Mr. and Mrs. Dennis Kelly and sons Todd and Keith of Odessa.

Funeral Services Held Saturday for E. F. Fairey, 93

Funeral for E. F. (Deacon) Fairey, 93, was held Saturday at 10 a.m. in First Baptist Church.

Mr. Fairey, a building contractor, died at 10 a.m. Thursday at Hamlin Memorial Hospital after a brief illness. He had been hospitalized 10 days.

Services were conducted by Dr. Billy P. Smith, interim pastor, and Rev. Marshall Stewart, pastor of the Church of the Nazarene.

He was a member of the First Baptist Church where he was a deacon and a former Sunday School Teacher.

Born Nov. 3, 1876, in Marlin, his parents were the late Mr. and Mrs. Marion Fairey. He attended Waco Business College in Waco.

Oct. 31, 1900, he was married to the former Bernice Jones in Riesel, Texas. They moved to Hamlin in 1920. She died in 1949.

Burial was in Hamlin East Cemetery.

Survivors include three sons, R. N. of Hurst, Archie of Rotan, Ed of El Paso; one daughter, Mrs. Weldon (Bernice) Johnson of Hamlin; two sisters, Mrs. Minnie Pluto and Mrs. Harry Whitaker, both of San Antonio; a sister-in-law, Mrs. J. W. Fairey of Hico; seven grandchildren and 12 great-grandchildren.

Pallbearers were Ernest Jenkins, C. Weldon Griggs, O. D. Roland, Earl Smith, Ed Branscum, W. T. Johnson, Ray Johnson and Sam Ferguson.

Industrial Development Meeting Slated Tonight

The Hamlin Board of Community Development has launched a drive to encourage new industry for Hamlin and the first meeting for this purpose will be held tonight (Thursday) in the high school auditorium, according to Ellis West, chairman of the Industrial Development Committee.

Starting at 8 p.m., the meeting will be conducted by W. A. Collins Jr. of Dallas, manager of Community Development for Lone Star Gas Company. He is expected to bring other people with him who work in the field of industrial development at the state and federal levels.

A slide presentation entitled "Our Home Town" will be presented by Mr. Collins which will show those gathered how and what they need to do in order to compete for the new industries locating over the state. A question and answer session will follow the slide presentation.

Chairman West is urging everyone interested in the future of Hamlin to attend and take part in the meeting tonight. He said that this was the first in a series of meetings being planned by the BCD to encourage more industry to move here and to assist those industries already here.

Refreshments will be served preceding the meeting.

Booster Club Sets Membership Drive, Ice Cream Supper

The Pied Piper Booster Club will launch its annual membership drive with an ice cream supper here Friday, Sept. 4, when the Pipers scrimmage Aspermont, according to H. E. Ford, president.

The club will hold its first regular meeting on Monday evening Sept. 7. New officers for the year will be elected at this meeting.

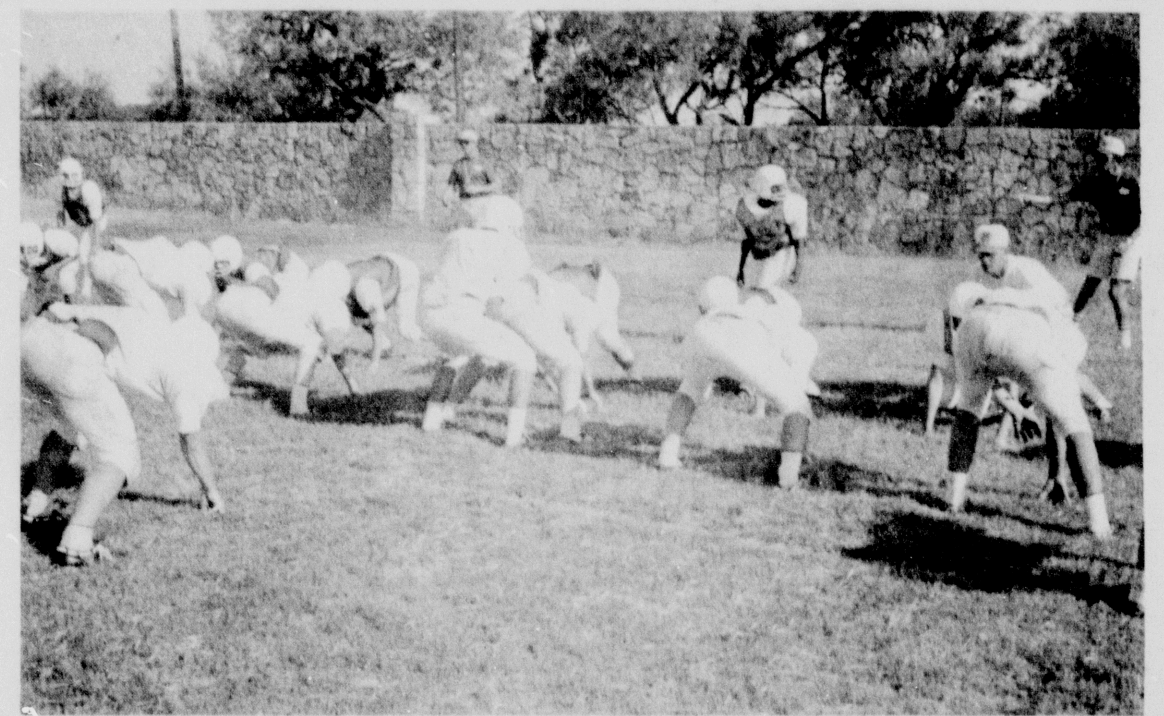

Membership dues will be the same as last year, \$5.00.

Trap Shoot Here

The Hamlin Jaycees will sponsor a Trap Shoot Sunday at the old Hamlin Airport, one mile north of Hamlin and east one-fourth mile.

All participants are to bring their own shot guns, according to the general chairman, Sam Mack Hodges.

The public is invited. Refreshments will be available.

GOAL LINE OFFENSE—The Pied Pipers worked on their goal line offense Tuesday evening as they prepared for Friday night's scrimmage with Seymour. The Pipers will scrimmage at Seymour starting at 8 p.m. Friday. The varsity and a second unit will take part in the scrimmage. Next Friday the Pipers will scrimmage Aspermont here and the following Friday they will open the season with a game at Winters.

Scrimmage At Seymour To Give First Look At Pipers

Hamlin fans who travel to Seymour Friday night will get their first look at the 1970 Pied Pipers in action. Coach Deane Wright's Pipers will scrimmage Seymour at 8 p.m. Friday evening in Seymour Stadium.

Two units will see scrimmage action but Seymour will not field a freshman team so the Hamlin freshmen will not see any action this Friday.

Expected to start on offense Friday night will be Steve Teichelman as quarterback and Charlie Sellers, Shelton Marshall and Barry McDonald in the other backfield positions. In the line will be Leonard Johnson and Daily Ponder at ends, Fernando Rangel and Steve Smith at tackles, Greg Perrin and Edward Johnson at guards and Darrell Craig at center.

On defense, Coach Wright is expected to start Jackie Warner, Teichelman, Sellers, Marshall, McDonald, Perrin, Edward Johnson, Smith, Ponder and Leonard Johnson.

While Seymour reportedly has fewer boys out for football this year than normal

they are expected to field a strong team as they will have most of last year's team back. Coach Wright will carry 29 boys on the varsity this week but expects to move some of the smaller sophomores back to the freshman unit next week.

The varsity roster this week with their numbers for Friday night will be as follows:

10 Ricky Rodgers, junior
11 Jackie Warner, junior
12 Steve Teichelman, senior
20 Milton Jones, soph.
22 Charlie Sellers, senior
23 Shelton Marshall, senior
24 Joe Mayes, soph.
25 Rosendo Morales, senior
26 Kenneth Williams, soph.
30 Barry McDonald, junior
31 James Mayes, junior
33 Guy Wilder, senior
50 Darrell Craig, senior
51 Dwayne Hertel, junior
60 Gene Stovall, senior
61 Fernando Rangel, junior
62 Edward Johnson, senior
63 Mike Donham, junior

66 Roy Baker, soph.
68 Eddie Long, junior
70 Frank Willis, soph.
71 Alcario Mendoza, senior
77 Steve Smith, senior
78 Greg Perrin, senior
80 Daily Ponder, senior
81 Leonard Johnson, junior
82 Doug Elliott, senior
87 David Thompson, soph.
88 Steve Baker, junior

Twenty-three freshmen reported for workouts Monday although a few of these worked out last week during two-a-days.

Freshmen working out are: Stanley Colley, Bill Cork, Ricky Crowley, Mike Griffin, Gary Hertel, Danny Hix, Willie Hooper, John Hudson, Jim Johnson, L. J. Lee, Steven Mackey, Larry Mayes.

Carl Ray McGee, Steve McKissack, Raul Morales, Ray Seifres, Gary Sheffield George Titus, Douglas White, David Willis, Albert McAfee, Kenneth King, and Butch Herpeche.

Dates Set for Annual Cattlemen Round-up

ABILENE — The West Texas Rehabilitation Center, benefactor of the original Cattlemen's Round-Up for Crippled Children, will kick off its 11th annual Round-Up this month. Founded by the late Conda Wiley, the Round-Up has raised over three quarters of a million dollars for the Center since its inception. Last year's total was \$78,544.

The Round-Up operates in many different phases. The next three phases will be the Cattle Sale on September 28 at the Ranchers and Farmers Auction in Abilene; the Sheep and Goat Sale on Monday, October 5, at the Coleman Auction; and the Horse Sale on Saturday, October 3 at the Abilene Auction.

Officials of the Center announced the reappointment of Charlie Morris as Chairman of the Round-Up. Morris, who resides in Abilene, has diversified interests in ranching, feed lots and livestock. In response to his reappointment Morris said, "I am more than happy to be able to head

the Round-Up again this year. When I first accepted the chairmanship nine years ago, I had no idea that our five year old cerebral palsied grandson would be attending the Center daily as he does now."

Many people of the Southwest have helped the Center, never realizing that the Center would be able to help them. The Center's 1970 operating budget is \$449,000. The Rehabilitation Center suffered a severe financial setback as a result of non-payment of more than \$127,000 in Medicare claims in the early part of this year. Since that time the Center has slowly but consistently overcome the deficit and continued to serve the handicapped of the Southwest.

The operation of Round-Up is the result of ranchers and stockmen picking out a calf or a pen of calves or some other livestock and pledging them to the Round-Up. The area chairmen will contact the ranchers and stockmen

School Enrollment Up 36 Over Last Year

Classroom instruction began here Monday in all Hamlin Schools with a total enrollment of 888 students, 36 more than the 852 enrolled at this time last year.

In high school the count is 274 with the senior class of 57 students being the smallest class. The junior class includes 67 students, sophomore class, 73 and the freshman class, 77.

In junior high school Principal Marvin Carlton tallied

Foursquare Church Sets Weekend Revival Meeting

Rev. and Mrs. Heward Harris of Brownfield will be in a meeting here Aug. 28-30 at Foursquare Gospel Church. Services will be at 7:30 Friday and Saturday nights and 7 p.m. Sunday.

Rev. Carl Pool, pastor, invites everyone to attend. The visiting evangelists are both talented in music and will be presenting vocal selections, he said.

the number of boys and girls in each grade when compiling the total count. In the eighth grade of 75 there are 43 boys and 32 girls. The 65 seventh graders are 36 boys and 29 girls. The girls outnumber the boys 40 to 34 in the sixth grade class of 74.

In the elementary building 218 students are in the following grades: third, 61; fourth, 82 and fifth, 75.

The primary building includes 21 kindergarten pupils, 73 first graders and 80 in the second grade for a total of 174.

Eight children are in the special education class.

Changes in the faculty from last year include the addition of Mrs. Bill Davis as a teachers aide in the library at junior high school and high school. Mary Esco, junior high school librarian last year, will be at the high school in the morning and in junior high in the afternoons.

Mrs. Donley Williams is teaching the third grade. She taught last year in junior high. Mrs. James Lain moved

from third to first grade. Mrs. Rodger Bell is teaching the first year of kindergarten.

Consultant Evaluates Local Reading Center Friday

Mrs. Catherine Kenley, associate professor and director of the Reading Center and Clinic of Abilene Christian College, was in Hamlin Friday to evaluate materials and plans for the local Reading Center and make recommendations for the use of the materials in implementing the program.

After spending Friday with the teachers in the Reading Center, Mrs. Tim Jones and Mrs. Richard Young, and aide, Mrs. Skipper Smith, Mrs. Kenley compiled her observations and recommendations. She returned to Hamlin Monday to present her written report to the local system.

The service of the professional reading consultant was at the request of the school. This type of service has not been secured since the first year of the program. The report was presented to Supt. C. F. Cook.

The Reading Center serves students in the first five grades and is federally financed under Title I.

In her report Mrs. Kenley said "The Hamlin School System is to be congratulated for the excellent facilities and physical plant which has been provided for the Reading Center."

She cited the cooperation from the community as excellent and noted the fact that the Lions, Rotarians, Jaycees, Beta Sigma Phi and the P-TA supported the program was most encouraging. "The School Board and administration seem to be helpful and supportive," she noted.

In making recommendations the report indicated a need for an increase in the stock of library books. High interest low vocabulary reading material was suggested.

Assistance from civic groups through book showers was suggested as a means of acquiring additional books.

Classes of no more than eight to 10 students were advised and students whose needs are the greatest should

have priority. Students should be assigned after appraisal and diagnosis by the remedial teachers after conferring with the classroom teacher. The remedial class is designed to help those with special needs.

Local Jaycees Attend Summer Area Meeting

Mr. and Mrs. Harvey Lawlis and Mr. and Mrs. Charles Brumley attended the Area 1C Jaycee Summer Convention in Big Spring Aug. 21-23.

They received the Blue Chip Award for the local club in recognition for increased membership.

Dan Gallagher, immediate past president, will receive Blue Chip cuff links and tie tac.

The area Jayceettes were urged to attend a visitation session to be held from 2-5 p.m. Sept. 12 at Odessa College. It will be a "sit in hen meeting."

By MRS. R. M. BARR

We finally had some rain, almost 1.50 in. here in town but south of town they got more with hail and of course we could do without that.

Mrs. Gerald Prather and children drove out from Sweetwater Saturday afternoon and Mrs. W. B. Brown joined them on a shopping trip to Abilene. Eric Prather, the youngest grandson stayed the night and attended church with his grandparents.

Rev. L. L. Trott of Abilene filled the pulpit in the Baptist Church on Sunday, since the pastor, W. R. Petty was in Hendrick Memorial Hospital in Abilene.

Mrs. Neda Kiser had surgery Monday in West Texas Medical Center in Abilene due to a fractured hip.

Buster Turner of Brownfield spent most of last week here helping his parents on their new house.

Visiting in the Roy Kiser home this week were Mrs. Derwin Maberry and children of Brady, Mr. and Mrs. Jerry Kiser and children of Midland.

By the way, if you would like to see a "big" watermelon just drive over the underpass west on highway 180 to Roy Kiser's watermelon stand and you will find one that will weigh well over a hundred pounds.

FROM THE FILES . . .

FORTY YEARS AGO
(August 28, 1925)

The building for the reception of the Nobles Bros.-Woods, Co. Store is still receiving many valuable improvements. A very beautiful front is being installed, a new awning, lots of new shelving, new counters, new cashier's quarters, new plastering, new painting and in fact a real overhauling to make one of the best stores in town. This will likely be finished by September the first. This is the building formerly occupied by Jones Dry Goods Company.

District Attorney Tom Davis resigned his position this week and the Governor immediately appointed Attorney Clem Calhoun of Hamlin to fill the place. This is one of West Texas most important Judicial Districts and the Attorney's position is a very attractive one and Mr. Calhoun is to be congratulated in landing it. He has made many friends in this section of the state since coming to Hamlin and those who know him best, feel that he will make this district a successful Attorney. He held the assistant District Attorney's position at El Paso and therefore the field is not altogether new. He will continue to office at Hamlin and may have a partner later.

For several weeks the Baptist people of the Hitson community have been putting forth extra effort to erect a spacious tabernacle of worship on lots just across the road from the Hitson School. This is now about finished except painting, and the first days worship took place there last Sunday. They have not had a church of their own before. It will be remembered that a church was burned down last year just before they had it ready for use. The structure now is built for combination summer-winter use. It is floored with concrete and has wings that can be raised to allow extra air.

Services are being held there every Sunday from ten to twelve o'clock.

(August 25, 1950)

Manager W. W. Fletcher of the Hamlin Farmers' Cooperative Gin has announced that his gin was ginning the first Jones County bale of cotton for 1950 Thursday.

The bale was produced on the Mustang place north of McCaulley by Melvin (Hit) Henderson. It brings a double honor to Henderson, in that he produced the first bale for Fisher County also for this year.

Henderson informed Fletcher that he will have additional bales within a few days for the local gin to handle.

Efforts are being made to institute an annual premium arrangement for the grower of the first bale of the year.

Fletcher reports that cotton in general for the area is going to be medium in yield, worms having cut into production in many localities.

Mr. and Mrs. Claude Lancaster of Hamlin recently purchased a 1,353 acre ranch about 15 miles northeast of San Saba, according to a report received by The Herald.

The Lancasters plan to take possession of the ranch in the near future.

ture.

Glenn Patton, San Saba realtor, reported the ranch was owned for many years by J. L. (Kirk) Buttrill of Lometa. It was formerly the Sanford Hufstutler Ranch.

Hamlin's Rotary Club has been invited to participate in a gigantic Rotary Fellowship Day, Friday October 20, at the 1950 State Fair of Texas.

Those who attend will have a chance to see the greatest state fair in history, with a larger array of top-flight shows, exhibits and special features.

TEN YEARS AGO
(August 25, 1960)

With the next billing of the Southwestern Bell Telephone Company, subscribers of one party lines and business phones will note a slight increase of 25¢ on their bill to make it \$5.25 per month. Business phone service has been increased from \$9.00 to \$9.50.

These increases were included in a city ordinance passed in September to be effective when the change-over to dial system was put into operation.

To coincide with the change-over, which was made August 21, the bills dated on that date will include the new rate.

The first bale of cotton to be ginned in Hamlin was brought in Saturday by A. J. Dipple to the Farmer's Co-op Gin at 4 p.m.

Dipple will receive \$50 bonus given each year by the Agricultural and Livestock Committee of the BCD for the first bale ginned in Hamlin each year. R. L. McClung, chairman, will present the check to Dipple as soon as arrangements can be made.

Dipple farms five miles south of Old Glory.

The bale weighed 450 pounds and was ginned from 2,100 pounds, with 1,000 pounds of cottonseed.

Last year the first bale was from Wayne Hodnett on August 24.

The Pied Piper Booster Club will hold its first meeting Friday, August 26, after the scrimmage game between Hamlin and Colorado City. Joe Stephens, president, announced this week.

The club will sponsor a watermelon feast for the visiting players and the local boys.

Membership cards will be sold at the first and everyone that is interested in backing the Pipers are urged to attend this meeting and get acquainted with the boys.

And What Have You

Continued from page One would urge that you contact Kenneth or us and let's get the ball rolling.

There are a number of towns in the area that do have what seem to be successful programs and they could be contacted for information.

We feel that the time is long overdue for an all-out effort to be made in this direction so that we will know whether Hamlin youngsters will really support a Youth Center or whether the lack of one is just an excuse to go to Haskell or Abilene or any number of other towns.

Precious SIGHT

No price is too high to pay to protect the eyesight of ourselves and our children. Good eyesight is an absolute necessity in the earning of our livelihood, in the school work of our children, and in the enjoyment of all of life.

But there is another type of sight which in these times is often neglected — spiritual sight. We and our children need to be established and grounded in the love of God and His commandments, and to rely on Him. We need to meet His requirement of loving our neighbors as ourselves, thus making a better home life, community life and a better world. Psalms 34:8 reads, "O taste and see that the Lord is good: blessed is the man that trusteth in Him." Attend the church of your choice

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Library to Close For One Week, Aug. 31 to Sept. 4

Mrs. Floyd Clifton, president of the Hamlin Woman's Forum, announces that Hardin Memorial Library will be closed for one week Aug. 31-Sept. 4, during the vacation period for the librarian.

Books may be returned during this time by dropping them in the slot in the door.

Visiting this week with her parents, Mr. and Mrs. W. W. Wallace, are Mrs. Bill (Charlotte) Mancill and children of Midland.

ASC Committee Election Ballots to Be Mailed Soon

On September 1, ASC community committee election ballots will be mailed to all known eligible farm voters, according to Mr. J. E. Nix, Chairman of the Jones County Agricultural Stabilization and Conservation Committee.

Farm voters may vote for up to three of the candidates listed, or they may write in their choice on lines provided at the bottom of the ballot. To be counted, all ballots must be properly signed and mailed or returned to the County ASCS Office by September 11. Votes will be tabulated Tuesday, September 15 at the Jones County ASCS Office, beginning at 8:00 a. m.

In each of the four ASC communities in the County, three community committee-men and two alternates will

be elected. The candidate receiving the largest number of votes becomes chairman; the second largest vote-getter, vice-president; third-high, regular member; fourth and fifth highest become first and second alternates who may serve on the committee if regular members are temporarily absent or if a permanent vacancy occurs.

ASC community committee-men are elected for one-year terms, beginning October 1. Mr. Nix said, "It's very important that farmers elect their most qualified farm-neighbors for community committee posts. These community committees elect the County ASC Committee and choose its officers. They also assist the County ASC Committee the local administration of Government farm programs

and help keep farmers informed on how the program affects individual farm operations."

Any farm owner, tenant, or sharecropper who is of legal voting age may vote if he has an interest in a farm and is eligible to participate in any ASCS program administered in his community. Others who may vote are: spouses of eligible voters; a minor who supervises and conducts the farming operation of an entire farm; a legal guardian who manages a farm for a child; and a person representing a legal entity such as a partnership or corporation.

The ASC Committee Chairman pointed out that producers who have farm interests in more than one community may select the

community in which to vote, but may vote in only one community in the county.

Voting by proxy is not allowed. Voters who certify ballots with an "X" for a signature must do so before a witness and obtain the signature of the witness in order for the ballot to be counted.

A list of known eligible voters is open for inspection at the County ASCS Office. Any person who believes he is an eligible voter but who is not listed should get in touch with the County ASCS Office as soon as possible, Mr. Nix said.

He also said that any voter who has not received a ballot in the mail within a few days after September 1 should call the County ASCS Office to arrange to receive a duplicate ballot if necessary.
